

Letter of Commitment

Member listed below is committed to fully implementing Vaxelis vaccine at all listed practice locations. By executing this Letter of Commitment with the Child Health Advantage Program, the undersigned member is declaring the intent to participate in the Vaxelis Performance Offer by direct purchases made through Sanofi Pasteur's online ordering website: www.vaccineshoppe.com. The member is committing to purchases of Vaxelis equal to or greater than 75% of the total Vaxelis, Pediarix and Pentacel purchases.

Pricing will be effective at program initiation. A ramp-up period of no more than 6 months will be provided to the member. Furthermore, it is understood by the member that member will receive up-front discounts on Vaxelis vaccine. The member agrees to comply with the Anti-Kickback statute, including disclosure of any discounts received from participation in the Performance Offer as applicable under federal or state law. If the facility listed below, at any time, is determined not to meet the market share level specified above, then the Child Health Advantage Program shall have the right to promptly terminate the undersigned member from the Vaxelis Performance Offer. The Child Health Advantage Program shall notify Sanofi Pasteur that such member is excluded from Vaxelis Performance Offer pricing.

Please complete the two steps below:

1. Complete this Letter of Commitment (LOC) and submit by email to the Child Health Advantage Program at advantage@childrenshospitals.org. The Child Health Advantage Program will submit your request to Sanofi Pasteur on your behalf.
2. Provide the information requested below to the Child Health Advantage Program.
